

Exercise freedom

Letter to the Editor
Halifax *Chronicle Herald*, 26 November 2009

The *Chronicle Herald* bravely stands against anti-blasphemy laws (“Bid for blasphemy ban: Wrong tack on religion,” editorial 23 November), though the same paper has long declined to print any of the *Jyllands-Posten* cartoons for fear that reporting the news accurately and completely might offend some readers.

Now can *The Herald* explain why we should care to have a particular freedom that we don't care to exercise?
